Dear Keith

Congratulations are in order for a job well done. We take pride in our world-renowned speakers and appreciate the ease and confidence with which you gave your presentation. Thank you for being so generous with your time and talent. We know that the Flower Show experience was much richer because of your expertise and how well you shared your knowledge.

Again, thank you for making the 2005 Philadelphia Flower Show Lecture & Demonstration series a marvelous horticultural experience for all our visitors.

With best wishes,

Sally McCabe & Marilyn Reynolds
